

PRODUCT RISK ASSESSMENT SHEET

CARPET EXTRACTION CLEANER - 2 x 5Ltr CC381003

What is it

A low foaming, concentrated carpet shampoo with lemon fragrance, for use with all water extraction carpet cleaning machines where liquid is preferred to powder. Recommended for use with hot water but can be used with cold water.

When to use it

This a specially formulated cleaner suitable for woven and non-woven carpets of synthetic and natural fibres when used in conjunction with a water extraction machine. Also safe and effective for the cleaning of upholstery fabrics including car seats.

How to use it

Add to the solution tank 10ml J1201 per litre of hot or cold water. Use double strength on very dirty synthetic pile carpets. Can be pre-sprayed onto the carpet and left to penetrate (especially heavily soiled areas) prior to cleaning.

First Aid Measures

Inhalation

Move affected person to fresh air and keep warm and at rest in a position comfortable for breathing.

Ingestion

Do not induce vomiting. Get medical attention. Give plenty of water to drink. Rinse mouth thoroughly with water. Never give anything by mouth to an unconscious person. Do not induce vomiting.

Skin contact

Rinse with water. Get medical attention if any discomfort continues.

Eye contact

Remove any contact lenses and open eyelids wide apart. Continue to rinse for at least 15 minutes. Get medical attention if any discomfort continues.
