

PRODUCT RISK ASSESSMENT SHEET

SUPER DOSE BACTERICIDAL MULTIPURPOSE CLEANER

- 6 x 1Ltr
CT531002

What is it

Effective bactericidal cleaning for all catering, healthcare & other hygiene critical areas Achieves EN1276 for High level cleaning, killing common food, healthcare and general pathogens Fragrance free, non-tainting. Suitable for all water washable surfaces.

When to use it

For use in all healthcare and food preparation environments through out the care home.

How to use it

Follow the pictorial guide on the bottle. Squeeze bottle to fill the top reservoir, when the reservoir is full tip the contents into either a trigger spray bottle or a bucket containing warm/hot water. A second dose is required in mop buckets, do not repeat the dose into trigger spray bottles.

First Aid Measures

Inhalation

Move affected person to fresh air at once. Rinse nose and mouth with water. Get medical attention if any discomfort continues.

Ingestion

Remove affected person from source of contamination. Do not induce vomiting. Rinse mouth thoroughly with water. Give plenty of water to drink. Get medical attention.

Skin contact

Remove affected person from source of contamination.
Remove contaminated clothing. Rinse immediately with plenty of water. Continue to rinse for at least 15 minutes. Get medical attention if irritation persists after washing.

Eye contact

Important! Immediately rinse with water for at least 15 minutes. Remove any contact lenses and open eyelids wide apart. Get medical attention immediately. Continue to rinse.
