

# PRODUCT RISK ASSESSMENT SHEET

## SUPER DOSE BACTERICIDAL WASHROOM CLEANER

- 6 x 1Ltr  
CT531001

### What is it

Pleasantly perfumed concentrated all round washroom cleaner. Contains powerful bactericide. Effectively kills bacteria on all hand touch surfaces - taps, toilet flush handles, door handles etc.

### When to use it

For use in all washroom environments through out the care home.

### How to use it

Follow the pictorial guide on the bottle. Squeeze bottle to fill the top reservoir, when the reservoir is full tip the contents into either a trigger spray bottle or a bucket containing warm/hot water. A second dose is required in mop buckets, do not repeat the dose into trigger spray bottles.

### First Aid Measures

#### Inhalation

Move affected person to fresh air at once. Rinse nose and mouth with water. Get medical attention if any discomfort continues.

#### Ingestion

Remove affected person from source of contamination. Do not induce vomiting. Rinse mouth thoroughly with water. Give plenty of water to drink. Get medical attention.

#### Skin contact

Remove affected person from source of contamination. Remove contaminated clothing. Rinse immediately with plenty of water. Continue to rinse for at least 15 minutes. Get medical attention if irritation persists after washing.

#### Eye contact

Important! Immediately rinse with water for at least 15 minutes. Remove any contact lenses and open eyelids wide apart. Get medical attention immediately. Continue to rinse.
